TOWN AND COUNTRY PLANNING ACTS

Application No: DA/2019/0957

Description: Alterations to access to provide on site parking and formation of dropped kerb

Location: 30, Daventry Road, Norton, Northamptonshire, NN11 2ND

Dear Sir/Madam,

The District Council has received the above planning application on which any observations you may have must be made in writing to me by **17 December 2019**, in order to ensure that they will be taken into account when the application is decided. The application will be available for inspection on our website: <http://www.daventrydc.gov.uk> within the next few days. If you require a paper copy of the plans size A3 and above please make your request, preferably by email, to customercare@daventrydc.gov.uk or phone 01327 871100 and the copies will be posted to you as soon as possible.

If the application is one which is to be decided by the Planning Committee, your Council will have the opportunity to personally address the Committee Members with its views.

If you need any further information, please contact the Case Officer as shown above.

As this is a householder application, in the event of an appeal against a refusal of planning permission, which is to be dealt with on the basis of representations in writing, any representations made about this application will be sent to the Secretary of State, and there will be no further opportunity to comment at appeal stage.

The volume of correspondence that we receive on planning matters means that we are unable to acknowledge receipt of your reply or respond individually to points or questions you may raise. Rest assured however, that your letter will be kept and the planning points you make will be considered by Officers/Councillors in making decisions and we will let you know the result in due course.

Yours faithfully,

K Thursfield

Development Control Manager
