

Part of Weedon lane will be closed on 28th September for 3 days whilst Anglian Water completed a new connection. Please find below a plan that shows the extent and the diversion route. Should you need any further detail, please contact Tom Jackson of AWA on 0800 137 631.

The screenshot displays the 'one.network' Traffic Management interface. The main map shows a blue diversion route around a roadwork site on Weedon Lane, Daventry, from 28 Sep to 30 Sep. The roadwork is marked with a red 'X' icon. The diversion route is shown in blue, starting from the roadwork site, heading north, then east, then south, and finally west back to the roadwork site. The map includes various landmarks such as 'BUCKBY WHARF', 'Whilton Locks Garden Village', 'Whilton Marina', 'Whilton Mill Karting & Outdoor Activities', 'Whilton Chandlery', 'Whilton Caravan & Container Storage', 'Elliotts Noborough Lodge Farm Shop', 'Heart Of The Shires', 'Muscott', 'Brockhall Boarding Kennels', and 'Royl...'. The interface also features a 'Data layers' panel on the left with categories like Roadworks, Public events, Driver information, Public transport, Operational info, Boundary layers, Other, and NSG. The right-hand sidebar shows project details for 'TTRO (2021) W190', including the name, Plan ID (118203554), creator (Kerry Palmer), Reference (AD02910601989), and Status (Published). The sidebar also includes navigation buttons for Home, Save, and a 'Next' button. The Windows taskbar at the bottom shows the time as 10:13 on 10/08/2020.
