

Norton Annual Parish Council Meeting Tuesday 13th April 2021

Allotment report.

I can't believe it's been nearly 3 years since I took over from Francis as allotment secretary.

I really enjoy doing the job, and since taking on this job I have thoroughly enjoyed meeting all the tenants, who are incredibly knowledgeable with their tips and assistance, and having an allotment up there myself for the past 3 years, I am always at hand to assist with any issues or concerns where needed.

All the allotments are taken for this allotment year 01/04/2021 to 31/03/2022 and everyone is very busy preparing their plots and it's looking great. With new people moving into the village, it is great to see them now having an allotment, and all ages.

Please feel free to contact me if you are interested in an allotment, I will be only too pleased to show you around any vacant plots as they come up.
